

Sandwich Croquet Club News, July 2011

With 19 members, the Club is able to move beyond borrowed equipment.

- An order has been sent in for a set of wickets, center post and clips.
- Bill Day will make a picnic table and Bob Spalding is making deadness boards.

Upcoming suggested fund raiser events are:

- For the last week of July and the first week of August, it is suggested members pay \$5 for each of the days they play. The money would be used to purchase balls.
- It is suggested that a Golf Croquet Tournament take place on Saturday, August 20th.

Participants would be asked to pay a \$10 participation fee. Snacks would be provided and fun prizes would be awarded. With play both morning and afternoon, participants could bring their lunch or purchase their lunch at the Club House. Proceeds from the tournament would be used to purchase a storage holder for the equipment.

A large thank you to Bill Day and Ed Gardella for organizing and managing the borrowed equipment and the setting up. A thank you to Grace Day for the record keeping.

An extra thank you to Sandwich Hollows for providing the courts for the Croquet Club.
