

Sandwich Croquet Club News, September 2011

Play will continue through October with an October 29 probable end date. If weather and temperatures remains comfortable, the end date may be adjusted. We will continue the Tuesday and Saturday schedule throughout the fall as participation is remaining strong.

There are many positives in the Sandwich Croquet Club that need to be acknowledged. In the five short months since we began, we have:

- *20 members.
- *Played 34 days since May, not including four weather cancellations.
- *Successful fund-raising that is providing needed equipment
- *Developed a Sandwich Croquet Club logo.
- *Enjoyed a Golf Croquet tournament with 13 participants.
- *Partnered a Golf Croquet class with Sandwich Community School.
- *Ordered Croquet hats and shirts for interested members.
- *Partnered with Bob Kroeger to produce a video about the Club.

Special thanks to the following people for making all of the above happen.

*Weekly set up, record keeping, treasury
