December 2014 Newsletter

News about our signs: Work on the signs is continuing to move forward in a positive way and we are confident that we will be able to plan for installation in the Spring.

Attendance this year was excellent through the entire season, with averages of more than ten on Saturdays and Tuesdays, and more than seven on Wednesdays. We had to cancel only eight sessions due to weather (including a hurricane) with a remaining 72 days of play over six months! A terrific record.

This year, we held a Club Exchange Day, Bring a Friend Day, lessons from Bob Kroeger, two golf tournaments and one six-wicket tournament, and hosted several guests from other clubs on the East Coast. We have begun implementing nine-wicket play as well. We have enjoyed sharing a meal and camaraderie at the potluck, our end of season dinner, and lunches at various Cape Cod locations. Our website keeps current and photos of these events are posted for all to view (www.sandwichcroquet.com).

Our new membership letter will be sent out in early March along with a survey seeking your input and ideas for our club for next season. We want to hear from you.

Thank you all for your energy and time this year and your commitment to the game of croquet!

The Board wishes you **Happy Holidays, Peace and Joy in the New Year!**
